#### 1. General information

The financial statements cover Biyani House Revesby Women's Shelter Incorporated, an entity incorporated and domiciled in Australia. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards and a registered charity under the Australian Charities and Not-for-profits Commission Act 2012 and the NSW Charitable Fundraising Act 1991.

These financial statements cover the financial year ended 30 June 2023, whilst the comparative figures cover the financial period from date of incorporation, 28 April 2021 to 30 June 2022.

The principal activity of the entity is to provide short-term emergency accommodation and support in a safe environment that enables homeless women to rebuild self-esteem and achieve control and fulfilment of their lives.

The financial report was authorised for issue by the Board on 12 October 2023.

## 2. Changes in accounting policies

#### New and revised standards that are effective for these financial statements

A number of revised standards became effective for the first time to annual periods beginning on or after 1 July 2022. The adoption of these revised accounting standards has not had a material impact on the entity's financial statements.

#### Accounting standards issued but not yet effective and not been adopted early by the entity

A number of new and revised standards have been issued but are not yet effective and have not been adopted early by the entity. The Board is currently assessing the impact such standards will have on the entity.

## 3. Summary of significant accounting policies

## Financial reporting framework

The general purpose financial statements of the entity have been prepared in accordance with the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the *NSW Charitable Fundraising Act 1991*.

## Statement of compliance

The general purpose financial statements of the entity have been prepared in accordance with Australian Accounting Standards – Simplified Disclosures and other authoritative pronouncements of the Australian Accounting Standards Board.

#### **Basis of preparation**

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of this report are as follows:

The financial statements are presented in Australian Dollars (\$AUD), which is also the functional currency of the company.

#### Revenue from contracts with customers

Revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the entity expects to receive in exchange for those goods or services.

Revenue is recognised by applying a five-step model as follows:

- 1. Identify the contract with the customer
- 2. Identify the performance obligations
- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

## Other revenue

For any revenue streams that are not defined as contracts with customers, then the revenue is recognised when the entity gains control, economic benefits are probable and the amount of the revenue can be measured reliably.

All revenue is stated net of the amount of goods and services tax (GST).

## **Operating expenses**

Operating expenses are recognised in profit or loss upon utilisation of the service or at the date of their origin.

#### Income tax

No provision for income tax has been raised as the entity is exempt from income tax as a registered charity under the *Australian Charities and Not-for-profits Commission Act 2012*.

#### Cash and cash equivalents

Cash on hand equivalents includes cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less.

## Property, plant and equipment

## Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and any impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount recognised either in profit or loss.

#### Depreciation

The depreciable amount of all fixed assets is depreciated over the asset's useful life to the entity commencing from the time the asset is held ready for use.

The useful lives used for each class of depreciable assets are:

Class of fixed asset
Leasehold improvements
Furniture & fittings

Useful life
20 years
10 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of profit or loss and other comprehensive income.

#### Impairment of assets

At the end of each reporting period the entity determines whether there is evidence of an impairment indicator for non-financial assets.

#### Trade and other payables

These amounts represent liabilities for goods and services provided to the entity prior to the end of the financial year and which are unpaid. Due to the short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

## Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

## **Provision for employee benefits**

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

## Significant judgement in applying accounting policies

When preparing the financial statements, the Board undertake a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

#### Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

## <u>Useful lives of depreciable assets</u>

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain software and IT equipment.

Biyani House Revesby Women's Shelter Incorporated Independent Auditor's Report to the Members of Biyani House Revesby Women's Shelter Incorporated

For the Financial Year Ended 30 June 2023

## Opinion

We have audited the financial report of Biyani House Revesby Women's Shelter Incorporated (the registered entity), which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies, and the responsible persons' declaration.

In our opinion, the financial report of Biyani House Revesby Women's Shelter Incorporated has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act), including:

- (a) giving a true and fair view of the registered entity's financial position as at 30 June 2023 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards Simplified Disclosures and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2022.*

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Responsibilities of Responsible Persons for the Financial Report

The responsible persons of the registered entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the ACNC Act, and for such internal control as the responsible persons determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, responsible persons are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible persons either intend to liquidate the registered entity or to cease operations or have no realistic alternative but to do so.

# Biyani House Revesby Women's Shelter Incorporated Independent Auditor's Report to the Members of Biyani House Revesby Women's Shelter Incorporated

For the Financial Year Ended 30 June 2023

The responsible persons are responsible for overseeing the registered entity's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for audit of the financial report is located at the Auditing and Assurance Standards Board website at: <a href="http://www.auasb.gov.au/Home.aspx">http://www.auasb.gov.au/Home.aspx</a>. This description forms part of our auditor's report.

#### Report of the requirements of the NSW Charitable Fundraising Act 1991

We have audited the financial report as required by Section 24(2) of the NSW Charitable Fundraising Act 1991. Our procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the NSW Charitable Fundraising Act 1991 and the NSW Charitable Fundraising Regulation 2021.

Because of the inherent limitations of any assurance engagement, it is possible that fraud, error or non-compliance may occur and not be detected. An audit is not designed to detect all instance of non-compliance with the requirements described in the above-mentioned Acts and Regulations as an audit is not performed continuously throughout the period and the audit procedures performed in respect of compliance with these requirements are undertaken on a test basis. The audit report expressed in this report has been formed on the above basis.

For the Financial Year Ended 30 June 2023

#### **Opinion**

In our opinion:

- a) the financial report of Biyani House Revesby Women's Shelter Incorporated has been properly drawn up and associated records have been properly kept during the financial year ended 30 June 2023, in all material respects, in accordance with:
  - i) sections 20(1), 22(1-2), 24(1-3) of the NSW Charitable Fundraising Act 1991; and
  - ii) sections 10(6) and 11 of the NSW Charitable Fundraising Regulation 2021.
- b) the money received as a result of fundraising appeals conducted by the entity during the financial year ended 30 June 2023 has been properly accounted for and applied, in all material respects, in accordance with the above-mentioned Act and Regulations.
